About me

My name is Mark and I am 57 years old. I am currently in hospital and will be moving to a new SDA property in the future. I enjoy visiting my sister Diane every second weekend and will see my brother Michael on a regular basis.

I wake up around 7am each day. I require support with personal care from support workers. Every second weekend I stay the night at my sister Diane's house. My sister will sometimes take me to see my brother Michael as well. I would like to be social and join in on group activities however I do not like being in the community on my own.

My Family and friends

- Diane (Sister) and Michael (brother).

My Services and community involvement

- Dr Roger Smith (General Practitioner), Dr Chris (Dentist), Australian Hearing Services (Optometrist), Podiatrist, Pete Harris (skin specialist) and Dr Lanka Cooray (psychiatrist).

Funded supports information

My funded supports can help me achieve my goals

Managing my NDIS funding

There are 3 different ways my plan funding can be managed:

- **Self-managed:** I will claim funding from my NDIS plan to pay providers myself or my plan nominee or child representative may do this on my behalf. Providers will invoice me directly for supports I have agreed they will provide.
- **Plan-managed:** My plan management provider will make claims and pay providers on my behalf for supports I have agreed they will provide.
- **NDIA-managed:** Providers will claim payment directly from my NDIS plan based on active service bookings. Where supports are NDIA-managed, I can only use an NDIS registered provider.

My funding may be managed in one or more of these ways and is listed with my funding on the following pages.

Stated Supports

Where a support is listed as 'stated' in my plan, I must purchase this support as described in my plan. I cannot swap 'stated' supports for any other supports.

In-Kind Supports

Where a support is listed as 'in-kind' in my plan, I must continue with my existing service provider as they have been pre-paid to deliver this service. However, if I have a concern about using my in-kind provider I can raise my concerns with my NDIS contact.

Quote Required

Where a support is listed as 'quote required' additional information such as quotes and/or specialist reports will be required. Once the quote is approved, the funding will be made available in my plan.
